Microdermabrasion **$155** (Series of 3 **$435**) (Series of 6 **$840**)
additional areas **$75** same session

Microdermabrasion is a skin resurfacing treatment that used a diamond tipped exfoliating device to gently exfoliate the top layer of the skin. Microdermabrasion will leave your skin radiant and rejuvenated with no down time, no peeling. This 50 minute treatment includes cleansing, steam, a calming mask, and lactic acid as necessary. Helps minimize fine lines and wrinkles, enlarged pores, uneven skin tone and texture. Add Collagen Mask to enhance immediate results.

Hyperbaric Oxygen Rescue Therapy
Face **$210** (Series of 3 **$615**, Series of 6 **$1,200**)
Face/neck **$250** Face, neck and décolleté **$285**

An infusion of oxygen (under hyperbaric pressure) and antioxidant serums of vitamins A, C and E with hyaluronic acid and green tea. The high levels of Hyaluronic acid have the ability to attract 1000 times its weight in water leaving your skin radiant and hydrated. This extraordinary treatment soothes fine lines, plumps up your lips, and has a firming and tightening effect on your entire complexion. Also perfect for acne patients due to oxygen's antibacterial effect. Great for Red-carpet prep. Add Collagen Mask to enhance immediate results.

MicroFusion Facial Therapy **$320** (Series of 3 **$900**)

In this unique fusion we combine Microdermabrasion, Hyperbaric Oxygen and deep pore skin cleansing to create the ultimate facial treatment. Indulge in this 75 minute treatment to rehabilitate your skin or prepare for life's most memorable events. Recommended every 6 weeks for rehabilitation and every 8 weeks for maintenance.
